## The Skinny on Billy

This library room is named in honor of William  
Winfield Scott,  
a published poet who filled the Masonic Home with  
verse while residing here during the 1940s. "Billy"  
Scott was one among the first class at the University  
of Oregon when it opened in  
October 1876 -- only 11 years after the end of the  
Civil War.

Lyle Hehn's portrait of the aged Billy Scott hangs  
over the fireplace. The man has a jaunty appearance;  
from his lips, a good turn of phrase would just seem  
to pour out. The artist implies that Billy's muse came  
from the magic elixir, which the subject covets in a  
bejeweled chalice.

Join Billy in a toast to the past, present & future.  
Cheers!

## Happy Hour
