LOOSE LEAF TEA

by Tao of Tea 2.90

Tippy South Cloud *Black Tea*

Yunnan “South Cloud” is regarded as one of the areas for the Genesis of tea. Made at a 100% organic tea garden with a mix of black and gold tipped leaves. The golden color emerges during processing and adds sweetness.

Flavor Profile: Smooth, dark and slightly smoky.

Kali Cha *Oolong Tea*

Grown at an altitude of 4800 feet and twenty miles from Darjeeling, the famous tea growing region of India, Kali Cha is one of the first authentic style oolongs from India.

Flavor Profile: Smooth taste with a distinct, toasty aroma of cocoa nibs and peanut shells.

Moroccan Mint *Blended Green Tea*

Full-bodied green tea from China blended with flavorful peppermint. Sweet mint tea is part of life in Morocco and boiled mint tea has been a tradition since ancient times. We have attempted to recreate the Moroccan experience.

Flavor Profile: Roasted, vegetal green tea with fragrant, cooling peppermint.

Darjeeling Bergamot *Blended Black Tea*

Bergamot is a Turkish name given to a pear shaped fruit, Citrus Bergamia, popularly used in Earl Grey tea. Darjeeling Bergamot is a blend of light, crisp, Darjeeling black tea and the essence of bergamot. Fair Trade Certified.

Flavor Profile: Very aromatic, clear and smooth.

Emerald Green *Green Tea*

Made from the small leaf varietal of the tea plant ‘Camellia Sinensis’, this green tea is grown in the northern part of the Zhejiang province - the world’s largest producer of green tea. The brew is ‘Emerald Green’ in color and has a sweet, full bodied flavor with honey aftertaste.

Flavor Profile: Refreshing, sweet pine aroma, toasted, nutty

Ceylon Orange Pekoe *Sri Lankan Black Tea*

Orange Pekoe is one of the most loved terms in the tea trade. Contrary to popular belief, it has nothing to do with the color or flavor orange. Orange Pekoe is the basis of grading tea leaves according to their size and position on the tea branch.

Flavor Profile: A light bodied tea with balanced sweetness and astringency. Aromas of turbinado and warm brown sugar.

Malty Assam *100% Organic Black Tea*

The region of Assam is the largest tea producing region in the world and home to some of the best black teas in India. Assam teas are known for their bright and full-bodied flavor profiles. Although there are several organic tea gardens in Assam, those producing teas with a distinct malty flavor are less common.

Flavor Profile: Rich, malty brew with a slight caramel sweetness.

Chamomile *Herbal Tisane*

Egyptian Chamomile has the largest, brightest flowers with the most fragrance and flavor. A soothing herbal tea to drink anytime of the day, especially relaxing in the evening.

Flavor Profile: Slightly sweet with hints of fruit.

Cranberry Orange *Blended Herbal Tea*

Cranberry Orange is an uplifting blend of dried, lightly sweetened cranberries, hibiscus flower petals, chamomile flowers, orange peel and natural orange essence. Carefully hand blended in small batches to ensure consistency.

Flavor Profile: Sweet, fruity, slightly tart taste.

Black Mango *Blended Black Tea*

Black Mango is a blend of fine 100% organic black tea from India, organic calendula flower petals and natural mango essence.

Flavor Profile: Sweet taste with satin smoothness.

Ginger Peach *Hand Blended Black Tea*

Ginger Peach marries the sweet fruitiness of peaches with the warm spice of ginger over a base of smooth black tea. This hand scented tea is refreshing, balanced and sweet, making it one of our most popular blends.

Flavor Profile: Smooth black tea with bright peach sweetness and a hint of spice.

Rooibos *100% Organic South African Red Herb*

Rooibos is Afrikaans for “Red Bush” and is a member of the legume family of plants. It is commonly used to make a tisane in South Africa. We source our Rooibos directly from one of the pioneers of organic Rooibos processing in South Africa. Made of Superfine Grade, the leaf is fine and thin like needles

Flavor Profile: Smooth, fruity, and earthy with a vanilla aroma.
